## Introduction

*"Why, man, he doth bstride the narrow world  
Like a Colussus; and we petty men  
Walk under his huge legs, and peep about  
To find ourselves dishonorable graves.  
Men at some time are masters of their fates:  
The fault, dear Brutus, is not in our stars,  
But in ourselves, that we are underlings."  
Julius Caesar (1599) act 1, scene 2 Shakespeare*

The subject of Fate or Destiny has triggered many a philosophical argument. What is destiny? Are the details of our lives pre-destined? How much free will do we really have? These are imponderable questions. This report does not offer the answers. Rather it gives us some signposts to help us on our life journey.

When meteorologists forecast the weather we understand that they are not telling us how to live our lives. Rather they are giving us information that may help us make our own decisions. As far as the weather is concerned our major decisions are whether or not to dress warmly or to take an umbrella. The astrological system of Transits is offering us much the same information. It is giving us an indication of the emotional and intellectual weather of our lives. It is up to us to decide our own destiny.

When using this set of interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Each entry in this report relates to an astrological event that affects the natal chart for this individual. The entries are sorted by the exact date on which each event occurs, and the period of time around this date during which the events are considered to be in effect is shown in parentheses on the same line. Note that due to occasional retrograde motion of some planets, some events may be exact on two or more dates, and in this case all such dates are listed on the same line. Also, any events which are not exact within the report period, but whose period of effectiveness overlaps with the report period are included.

TRANSITING JUPITER TRINE RADIX NORTH NODE - During this time you have the chance to improve your relations with other people, and to make new relationships. You may meet a particular person, or take up with a new group of people. Either way this connection could help you expand your horizons in life. This can have a positive effect on your life as long as you recognize the opportunities, and do not pass them up. An engagement and marriage may be on the cards. ### **4 Jun 2022** (20 May 2022 to 20 Jun 2022)

TRANSITING SATURN SQUARE RADIX URANUS - This can be a time of great tension. You experience less of the tension if you have built your life on a firm foundation with a healthy balance between responsibility and the need for freedom and change. However, if you have allowed your life to become stuck in tired, rigid routines, this period can be very upsetting. Any area of your life that has become stuck in a rut is open to challenge and you will find it best to face the challenge of changing old patterns and embrace new and exciting plans.

**28 Jun 2022 (21 May 2022 to 6 Aug 2022)**

TRANSITING NEPTUNE TRINE RADIX URANUS - This is a positive time of opportunities to embrace more excitement in your life. **8 Jun 2022 (2 Jun 2022 to 16 Jun 2022)**

TRANSITING JUPITER OPPOSITION RADIX MOON - Are your loved ones advising you to consider your actions more carefully of late? Perhaps you have been feeling exuberant and unwittingly making rash decisions. On the other hand your decisions may have been wise, based on your confidence and experience. Only you can know the answer to these questions. However, you would be well advised to take a few moments to consider your decisions before rushing in. Life has been pretty exciting and you are feeling happy. No one wants to deflate your enthusiasm, however; your loved ones may be asking that you slow down and consider their needs too. Therefore you may be in conflict with your loved ones as issues arise surrounding emotional needs. It may be that you or your partner is being particularly demanding during this time, or it could be that an external influence has sparked emotional insecurities. On the other hand it is also possible that you receive gifts and extra support from your friends and family during this phase. Perhaps they admire your goals and want to help you achieve them. As a result you may receive unexpected rewards. On the whole this is a happy time during which you move closer to your dreams and wishes and enjoy life.

**13 Jun 2022 (6 Jun 2022 to 22 Jun 2022)**

TRANSITING JUPITER TRINE RADIX MERCURY - Good news is the cornerstone of this phase because communications of all types are favoured. If you have been waiting for a positive outcome to a project, or a beneficial announcement of some sort then you are likely to receive it now. You are mentally alert and capable of quick thinking and good decisions. Influential people notice your positive attitude and aptitude and reward your efforts. Promotions at work are possible. You are also likely to benefit from any decision to study, travel, teach, write or sharpen your mental faculties. Plans to buy and sell property are likely to be satisfying. In fact any plans made now are easily executed because of your optimism and ability to see the big picture, as well as deal with details. You may also discover latent sales talents. Legal contracts and lawsuits are also likely to be favourable when undertaken now. Of course, this does depend on other astrological influences. However, if you have shown restraint and wisdom in your dealings with other people then you are likely to receive positive news.

### **15 Jun 2022** (8 Jun 2022 to 24 Jun 2022)

TRANSITING JUPITER OPPOSITION RADIX SATURN - At the moment it seems as if obstacles are standing in your path, making life seem like hard work. The trouble is that you are currently feeling the need to expand your horizons, but are finding it difficult to find the right way forward. Perhaps you are going overboard in your efforts to get your own way, failing to negotiate with others who depend on you or work with you. Or perhaps others are truly blocking your path. Either way now is the time to carefully consider the consequences of any actions. You need to make sure that you build on the positives in your life, paying attention to the building blocks that support your success. Otherwise you are likely to alienate those who would usually support you and discard the very things that have sustained you. Slowly, and with patience, you can incorporate the changes that you want, although compromise may be to your benefit, as well as your colleagues, friends and loved ones.

Use the time to expand your horizons, but look before you leap into any permanent changes. Also be careful not to take on too many new projects.

However, the process may be painful, emotionally or physically. As a result you are particularly sensitive during this time, and need to take good care of yourself. It is possible that an event or person could upset your equilibrium. You may be introspective, pondering on childhood memories and relationships, particularly with parent figures. Although this can be a painful process, there is light at the end of the tunnel. You have the opportunity to gain new understanding of past events and move forward in your life with wisdom and insight.

**2 Dec 2022 (13 Oct 2022 to 22 Jan 2023)**

TRANSITING NEPTUNE SQUARE RADIX NEPTUNE - There are a few transits in astrology which are linked with what society calls the "mid-life crisis". This is one of them and usually occurs in your early 40s. This one is called transiting Neptune square Neptune. Neptune works to dissolve, mystify, and ultimately transcend. So, during this transit you review your life's goals and dreams. Like the character Scrooge in Charles Dickens' tale of The Christmas Carol you have the chance to reflect on your visions of the past, present and for the future. You see what has been achieved and what remains to be done. The problem is that a Neptune transit is usually subtle, provoking, bewildering, and enlightening, and all at the same time. So, you need to take your time and not push for immediate answers to the many questions that may be forming during this period. Share your feelings and thoughts with others who are the same age, as they are also experiencing this strange transit. However, don't expect instant answers. In some cases, you can feel disillusioned at how little you have achieved. You may be grieving the loss of ambitions that are no longer achievable. Life rarely turns out exactly as anyone plans, and you can take comfort from trusting that your life story is not over yet. You need to sift through and adjust your expectations. By the end of this transit, you will have gained much insight into which visions may have been sheer wishful thinking and which are achievable.

**11 Dec 2022 and 4 Jan 2023 (3 Nov 2022 to 10 Feb 2023)**

TRANSITING CHIRON TRINE RADIX SUN - Ideally this is time for healing, for moving forward in ways that are more authentic than you have been in the past. You can become whole during this transit. If you already feel that you are whole and authentic then you now have opportunities to express yourself and help others. Chances are you discover hidden skills you never knew you possessed. A chance encounter could spark a whole new field of learning ultimately providing a great source of healing. You have the opportunity to heal wounds, physical and/or emotional, and realign your identity with your true purpose. It is time forgive yourself any past wrongdoings, perhaps also to forgive others if this helps you recover a stronger sense of self. If necessary take time out from your responsibilities. Be kind to yourself. Pray, meditate or visit alternative healers. These self-care actions strengthen you now. They energise you in body and spirit.

**23 Dec 2022 (8 Nov 2022 to 5 Feb 2023)**

TRANSITING CHIRON CONJUNCTION RADIX MIDHEAVEN - As Chiron goes over the Midheaven in your chart you have the opportunity to bring a new spiritual dimension into your career. The path to this dimension is not necessarily easy, but it is ultimately rewarding. It may be that you lose a job, which at the time seems very painful. Later you will see that this has actually paved the way for a new healing lifestyle. On the other hand, you may now be presented with opportunities to heal and teach in your present job or offered new studies which will open up new paths for the future. In some cases you may meet a significant person who will help you on your path. Whatever the circumstances you will look back on this time as adding a spiritual dimension to your life path.

**23 Dec 2022** (19 Nov 2022 to 26 Jan 2023)

TRANSITING CHIRON SQUARE RADIX MARS - You are being forced to reassess your direction in life and to realign your goals on a more spiritual basis. This could be through a physical illness which forces you to slow down and contemplate your future or an event which has sparked deep emotions. Perhaps you are feeling a lack of emotional satisfaction in your current pursuits and this is causing you to search for more meaningful pursuits or perhaps something has happened which threatens your goals and ambitions. This could be connected with a male friend or member of your family. It is also possible that you are on a new path which is challenging your deep-seated fears of failure or success. It is important that you work through any emotions so that you can clearly assess your future in the light of your true purpose. It is not the time for a wild display of emotions, but more a time of self-honesty and an expression of your true values.
